

List of names recorded for Dallington in 1921 Census Source Find My Past

I have not yet attempted to correct transcription errors, or to infer specific addresses by comparison with other records. Further information is currently only available by payment of a fee for each household record. But I hope the list may be helpful to anyone researching specific families and that they will share any additional information they may find.

<i>First names</i>	<i>Surname</i>	<i>DoB</i>	<i>Place of birth</i>
